### Mentoring, What's This?

- Act of putting someone junior with an experienced senior for knowledge advancement
- A willingness on the participants to impart knowledge between individuals
- Mentoring is a two way exchange one where the mentor learns from the Mentee also

### Characteristics of a Mentor/Mentee

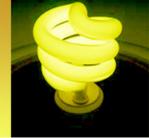

• Looks - NO WAY

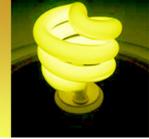

- Asked Mentors to Teach Mentees
  - To teach about computers

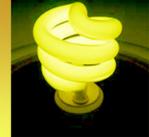

- Asked the knowledge masters
  - To teach about computers
  - Knowledge Masters were those under 30

- Asked Mentors to Teach Mentees
  - To teach the less knowledgeable about computers
  - Knowledge Masters were 30 and below
  - Less knowledgeable were 50 and over

- Asked Mentors to Teach Mentees
  - To teach the less knowledgeable about computers
  - Knowledge Masters were 30 and below
  - Less knowledgeable were 50 and over
  - I guess 40 somethings were neglected (LOL)

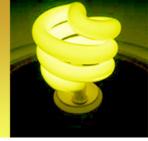

### Investment Firm Example - Conclusion

- Being a mentor Being a mentee
  - Not about Age
  - Not about Looks

It's about Knowledge

Who has it? – Who needs it?

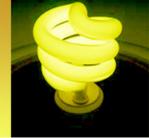

### IDL SIG Mentoring Initiative

 Help spread knowledge to the community – a mandate of our 503c status

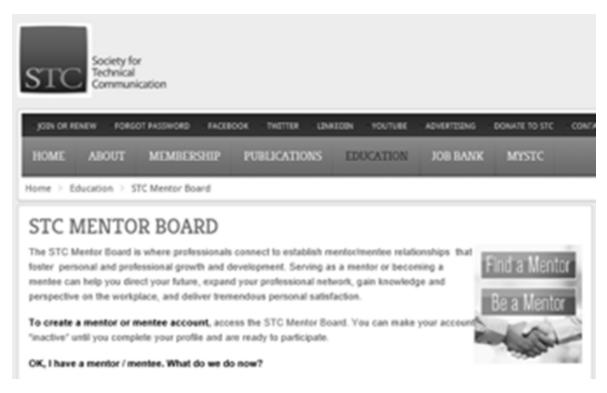

Assist in matching mentors and mentees

 Use a self-sustaining system that is selfpromoting and simple to use

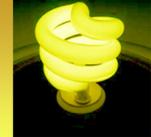

### The STC Mentor Board

IDL SIG will use the STC Mentor Board

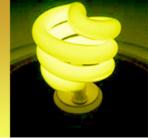

### You and Mentoring

You can be both a mentor and mentee

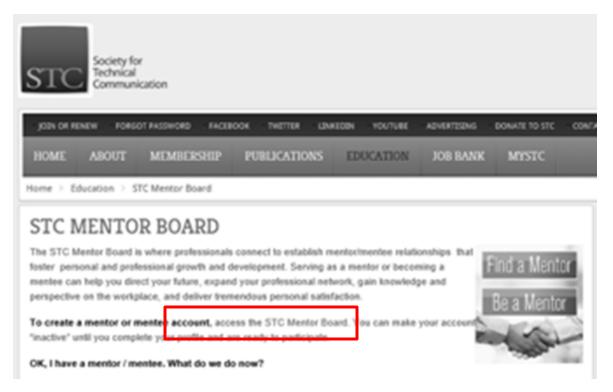

Individuals exist who you can mentor

Individuals exist who can mentor you
