Choose a Topic

Select from the list of topics in your Entry Packet or choose your own topic. Enter your selection on the “Topic” line.

Pre-approval is required if your topic is not on the list: email StudentOutreach@stcidlsig.org, tell us what you’d like to write about, and we will respond.

Author information

Complete this section for a single author or, if your article has multiple authors, for your point person. Complete “Co-Author Information” for a second author. You may type your name as your signature. Please submit your article only once, even if it has multiple authors.
